

Dear Pen pal,

Hello, I'm from Bermuda.

I have brown hair with blonde highlights and it is long. I have hazel eyes. I have a little brother who is 4 years old and a mum and a dad. But the rest of my family is in England. I go to Bermuda high-school for girls but you can call it B.H.S for short and I have lots of friends there. I am English but I'm only going to stay in Bermuda for 3 more years, then I'm going back to England. I am quite funny. In school I like maths. I hope you will write back.

I like doing scobies
